

Make Your Own Clinic

New Jersey National Golf Club is offering a “Make Your Own Clinic” option this year! If you have a group of friends, co-workers, etc., that are interested in learning more about golf than this is for you! Here are the steps to get started:

- Decide what you would like to work on. (Putting, Chipping, Driving Range, etc.) If you don't know that's ok too.
- Decide the length of the clinic. (1 hour for \$115 per person or 1 ½ hours for \$150 per person) A minimum of 3 people is required.
- Email cderogatis@empiregolfmgt.com to set up a date and time!
